

Welcome to Lesnina Inzenering Panels

Lesnina Inzenering Panels is the biggest company in Macedonia for production of edge glued panels with discontinuous stave. Our production is mainly focused on Finger-joined and Edge glued panels, as primary products and briquettes and fire wood as secondary products.

Lesnina Inzenering Panels resulted from years of development and research within the Lesnina Inzenering Holding team of experts. Our intention is to provide our customers high-quality products and services, in accordance with their requirements and the highest environmental standards, at a competitive price.
